

stopper and one of Street Rodder magazine picks of the year.

GREAT FOOD, ATMOSPHERE, & FUN!!

Last year while we were producing the weekly Cajon Classic Cruise in downtown El Cajon, both the Showboat and myself watched several restaurants being built. Among them was Mangia Bene Ristorante. Since its opening on Main Street, this Ristorante Italiano has been nothing but spectacular. Wednesday evening during the cruise, the patio along the street takes front and center with all the hot rods cruising by while you dine. Friday evening while the Concerts On The Green are playing you'll find most people enjoy the patio by the park for dining and listening to the music. Of course many enjoy the interior courtyards with the grapes and wine casks. Scoob can't ever decide where to go, as I just enjoy all the food especially the Margherita pizza, Barbeque Chicken pizza, Roasted Garlic Chicken pizza, Calamari Fritti, Sautéed Mushrooms, Seafood Chowder, Eggplant Parmigiana, Shrimp Scampi...I think you all can get the picture...This is a killer restaurant, and you can ask anyone who has eaten there if the Scoob knows what he is talking about, and that includes Bob Schlotter and his wife along with Dave Keetch and his wife. Both are board members of the Car Club Council of Greater San Diego...Want to try the restaurant that all the rodders are talking about?? Stop in any day, and that includes Sundays, and try dining in old Italy. For Reservations call 619-444-0303
